

## A Note From Our Pastor

Our hope and prayer is that after receiving this brochure you will consider joining us for a worship service. My friend, it does not matter who you are or where you have been, Jesus loves you and He gave His life that you should have *eternal* life.

If you have been turned away or turned off by other religious organizations, I assure you that there is a family waiting to love you and welcome you at A Journey In The Light Ministries. If you feel empty inside and you know that something is missing, that is exactly how the woman felt that Jesus met at the well that day. He knew she was lonely and felt empty. He told her of a life giving water (which is Jesus), and He said If you will drink this water, you will never thirst again. Come, let Jesus give you what you have been needing for so long, a true, lasting, and loving relationship. Hope to see you soon.

### HAVE YOU EVER:

- Fallen asleep in a religious service?
- Been bored in a religious service?
- Felt unaccepted?
- Felt left out in a religious service?
- Been judged in a religious service?
- Been looked down on because of your social status?
- Been kicked out?
- Felt like you were pressured for money in a religious service? *(At the same time, it is important to know money is required to carry out the workings of the ministry. Come and visit a few times, if the ministry works for you, your monetary support is your choice.)*
- Thought it was a show?

NONE OF THOSE THINGS WILL  
HAPPEN AT

*A Journey In The  
Light Ministries.*

## *What is A Journey In The Light Ministries ?*

We are an independent, full gospel ministry, who accepts everyone regardless of their race, color, social status, sexual orientation, where they are, or where they have been in life.

We are committed to the gospel of Jesus Christ, the only begotten son of God. We are led by the Holy Spirit in the desire to win others to the Kingdom of God.

A Journey In The Light Ministries, is a body of believers, that through a commitment to Our Lord and Savior, is striving to Live, Reach, Teach, and Preach the Word of God in Unity to all persons.

And we want to share the love of Jesus Christ *with YOU!*

## What do we believe?

It would be impossible to list everything, however it is simply said by: We believe the Bible is the inspired, infallible, written Word of God, and Salvation can only come through accepting Jesus Christ as your personal savior.

## What is our Mission Statement?

*As a diverse body of believers, through the commitment to our Lord and Savior, we are seeking to provide God's hope and love to all.*

This is accomplished through:

- *Spreading the Gospel of Jesus Christ through Evangelism, education, fellowship, community involvement, outreach, and missions:*
- *Ministering to all people, regardless of race, creed, age, sex, national origin, or sexual orientation;*
- *Exposing non-believers to God's Promise of everlasting life through Jesus Christ, and God's blessings in this (earthly) existence as well;*
- *Encouraging faithful ministry attendance by emphasizing the benefits of Christian fellowship;*
- *Educating the body of believers in God's uncompromised word, so that we come to know Christ.*

## What does Full Gospel Mean?

Simply stated, we believe that **God is still moving by His spirit in the lives and hearts of men and women, and that the moving of His spirit should be alive in our services.**

## Why Independent?

**Because we do not believe in church hierarchy. We believe each church or ministry should be free to direct it's own ministry according to the scriptures in the New Testament. Independent means that we do not have a council outside of the ministry telling us how to operate this ministry.**
